ABOUT MERS GOODWILL

MERS Goodwill is a mission-driven, not-for-profit with a strong foothold in the thrift retail sector and a leader in social services within our territory of 89 counties across Missouri and Illinois. With over 40 retail locations, 60 career centers, and 4 adult high schools, MERS Goodwill is one of the leading Goodwills across the country and we couldn’t do it without our diverse teams. We are uniquely different from traditional retail. We are fueled by our mission to provide training, education, employment, and supportive services for individuals in our local communities who have barriers to employment. MERS Goodwill has a rich history that extends back over 100 years to 1918 and is looking toward the next 100 years to expand and continue to find ways to do what we do best and impact our local communities’ lives.

MISSION, VISION, & VALUES

With a mission like, “Changing Lives Through the Power of Work,” we get the opportunity to make a difference in lives.

The vision for the future is a community where each individual has the opportunity to learn, work, and achieve their greatest potential.

» Passion is the heart of MERS Goodwill

» Diversity because we know that it takes people with different ideas, strengths, and backgrounds to make us successful.

» Integrity means we operate open, honest, and ethically.

» Respect individuals inside and outside our company.

» Responsibility, both socially and environmentally, to ensure our donations and funds are utilized effectively.

» Professionalism can be displayed through accountability and humility.

**90%**

Of MERS Goodwill Retail Managers have been promoted from within, most starting out as Retail Associates.
OPEN ENROLLMENT

Changing your enrollment benefit options occurs at varying times throughout the year. Check the guide below for opt-in, opt-out, or enrollment plan changes.

QUALIFYING EVENTS

If you have a qualifying life event (see examples shown below), you are eligible for a special enrollment period, but you only have 30 days after the date of the event. Additionally, you may qualify for a special enrollment period upon promotion. A good example of a qualifying event is if you have a baby, you don’t have to wait until the defined enrollment period to add the child.
We know that time off benefits are important to each and every one of our employees and we encourage taking time for quality of work-life balance.

**HOLIDAYS**

Retail stores are closed for 5 holidays in 2021 with Easter being the only unpaid holiday. The remaining four of the holidays (see below) are paid time off for all full-time employees.

- **NEW YEARS**
- **4TH OF JULY**
- **THANKSGIVING**
- **CHRISTMAS**

After completing 90 days of employment, all full-time employees are eligible for up to five days of paid time off to complete their civic duty as a juror.

**JURY DUTY**

Unfortunately, we will all suffer from the death of an immediate family member at some point in our lives. Employees are eligible for up to five days of paid time off each year for the death of a grandparent, grandparents-in-law, grandchildren, parents, parents-in-law, siblings, siblings-in-law, spouse, and children. This benefit is offered to all full-time employees who have completed 90 days of employment.

**FUNERALS**
Retail Division employees accrue 0.0385 sick hours for each hour worked up to 80 hours per pay period, earning up to 3.08 sick hours each pay period. Use this time for illnesses and doctor’s appointments for yourself and your immediate family members including parents, children, spouse, and grandparents.

SICK LEAVE

HOLD A MAXIMUM OF 45 DAYS

Retail Division entry-level employees accrue 0.01925 vacation hours for each hour worked up to 80 hours per pay period, earning up to 1.54 vacation hours each pay period. Vacation hours earned increase after 5 and 10 years of service. Unused vacation hours will be paid, upon termination, after one year of continuous employment.

VACATION

EARN UP TO 10 DAYS PER YEAR

So, what is vacation buyback? If you don’t use your vacation hours or just want the extra cash, you may sell back half of your vacation time, twice per year. This form can be found in your documents in Paycom. You may also call the Payroll department for assistance.

MEDICAL INSURANCE

Employees who work 30 hours or more each week are eligible for medical benefits. There are two plans to choose from, base and choice. Employees are eligible, once enrolled, to obtain medical coverage on their first day of work. Please see your medical enrollment packet for plan summary and terminology.

COMMON HEALTH INSURANCE TERMS

**PREMIUM**
The amount of money that is required to pay when participating in the medical plan. This premium is deducted from your paycheck 24 times a year. When we have a three payroll month, there will be no medical insurance deducted on the third payroll check.

**BENEFIT/PLAN**
The medical insurance program of which you enroll. There are two choices: Base and Choice.

**NETWORK**
In the medical plans, we use PHCS as our physician’s network. If your doctor is listed, they are in network. If not, your doctor will be considered out-of-network which will subject you to different deductibles, co-insurance rates and co-pays. All hospitals or other medical facilities are considered in-network.

**EXPLANATION OF BENEFITS**
A statement mailed to employees that detail medical services performed. The statement will provide dollar amounts that the medical plan paid to the doctor or facility and if there is any amount due from the insured employee.

**PROVIDER**
Your employer operates “self-insured” medical program and has contracted BAS to administer the plan, including paying all claims.

**DEDUCTIBLE**
The fixed dollar amount during the plan year that the employee pays before the medical provider begins paying claims. For example if your deductible is $2,500, your plan won’t pay anything until you’ve met your deductible.

**CO-PAYS**
This is a fixed amount that the medical plan requires when medical services are received (i.e. pharmacy and doctor visits).

**OUT-OF-POCKET MAX**
The maximum amount an insured employee will be required to pay based on the medical plan and its plan year.

**CO-INSURANCE**
This is the percentage that the employer and the employee pays once all deductibles and co-pays are paid.
Choosing the right medical plan is a big decision. Use the information below to help you make your decision. If you want or need to move to a different plan, you may change the first week of each month.

Why Choose Mercy?

As we resume regular, in-person appointments and procedures, please be assured that your safety remains our highest priority. New, enhanced procedures and protocols are in place so that you can get in-person care as safely and effectively as possible. Among these new safety protocols and to protect our limited supply of masks, we ask that you bring and wear a mask when visiting any Mercy facility for your safety and the safety of others.

We’re Ready for You - Come Back Safely
If your health care has been on hold, it’s time to return for the care you need. Mercy is open with measures in place to help you come back safely.

See us in person – All Mercy locations and services are now open, with strict standards to keep patients and caregivers safe.

Video Visits – For your convenience and comfort, we offer video visits. Meet with a primary care provider or specialist on your phone, tablet, laptop or desktop computer.

Making Sure You Get the Care You Need
At Mercy, our goal is to keep you and your family healthy and happy. We focus on preventive care – maintaining and improving your health.

Why is it important to have a Primary Care Physician?
- Your Primary Care Physician (PCP) gets to know you, your history and your family health history.
- Your PCP can identify health issues in their early stages before they become major problems – preventive care is key to staying ahead of illness and other health problems.
- Your PCP is your main contact for preventive care (immunizations, regular tests and screenings).
- In case you get sick – Your established PCP can get you in for a sick visit, prescribe medication, and connect with you over the MyMercy Patient Portal.
- If you have a condition that requires more specialized care, your PCP can refer you to the proper specialist.

MyMercy Patient Portal
MyMercy is a free, online tool and app for PCs, tablet devices and smartphones that makes it easy to manage your whole family’s health.

MyMercy lets you:
- Track your test results
- Schedule appointments
- Request prescription refills
- Message your providers
- Review and pay your bills

Personal and proactive outreach is the hallmark of the Member Services team. When you work with our team, you’ll never stand alone in the face of resolving a bill for healthcare services that exceed your responsibility.

How will you know if you’re being charged too much?

After receiving medical care, you will get an Explanation of Benefits (EOB) from your plan administrator specifying what you owe for services. If you receive a bill for more than this amount, immediately contact ELAP.

What will ELAP do for you?

Once ELAP receives your bill, you and your family are assigned a personal Member Services Advocate who will provide you with support every step of the way. After you give us written permission to advocate on your behalf, our team begins working to resolve the claim with your healthcare provider.

Who can you call with questions?

Your dedicated Advocate is your main line of support, continually monitoring the progress of your account while proactively keeping you up to date.

Have a question? Call or email your Advocate at any time. You’ll get a response within 24 hours. We are always here to help you better understand your plan benefits.

Keep an Eye on Your Mail

If it sounds easy, it’s because it is. If you receive any billing correspondence in the mail, send it to us right away.

Your Advocate will take it from there, keeping you in the loop throughout the process.

Our Motto: Advocate, Engage, Empower.
Frequently Asked Questions

How does ELAP make my health plan better?
Overinflated hospital bills cause health plans to raise rates and members to pay more. ELAP eliminates this problem so that everyone pays only what’s fair and reasonable.

What exactly does ELAP do?
ELAP partners with your company to ensure hospital and facility payments do not exceed your health plan’s limits and that they are for services rendered and nothing more. We do this by auditing all hospital and facility claims. ELAP Services will ensure the hospital makes a fair and reasonable profit on all services provided, but we greatly reduce excessive markups that are often seen on facility bills.

What types of medical bills does ELAP review?
Our focus is on expenses from facilities including hospitals, outpatient surgery centers and skilled nursing facilities.

How do I know ELAP reviewed my claim?
You will receive a notice from your Third Party Administrator (TPA) notifying you that ELAP has audited a claim for services rendered to you. The letter will list the date of service and facility. If you receive a bill for money outside of your member responsibility, this is called “balance billing” and you must submit the bill to ELAP.

What should I do if a facility requests payment up front?
The only out-of-pocket expense that you should pay to the facility in advance of or at the time of service is a copay (if applicable). You can contact your plan to confirm copay and/or deductible amounts. Since ELAP will often reduce the amount you owe after auditing a bill, you could overpay by paying up front and the facility will not reimburse you.

FREQUENTLY ASKED QUESTIONS

What if the facility denies care due to an outstanding billing issue?
If the facility will not perform treatment without additional funds outside of your normal copay, then you should contact your Third Party Administrator (TPA) immediately and request to speak with a representative.

When do I have to contact ELAP?
Sometimes a hospital or other facility does not accept the payment that we approve as fair and reasonable. In this case, they may bill you for the balance. This is called “balance billing” and when it happens, you need to contact us and send us your bill via fax, email or mail...

Email: bb@elapservices.com
FAX: 888.560.2447 ATTN Balance Bill Response Team
Mail: 1550 Liberty Ridge Drive, Suite 330 Wayne, PA 19087

What happens when I contact ELAP about balance billing?
You will receive assistance from a Member Services Advocate throughout the balance billing process. Our legal team will also go to work right away to handle the billing issue with healthcare facilities and collection agencies. It is very important that you send us any bills or notices as you receive them.

QUESTIONS about a hospital, surgery or skilled nursing facility bill?
Contact us right away.
Flexible spending accounts are tax-advantaged accounts that allow employees to set aside pre-tax deductions to build up cash for eligible expenses like daycare or healthcare. These plans allow you to reduce your taxable income by the amount you contribute. Money in these accounts must be used during the plan year for these expenses. For example, if you participate in flexible spending, the funds from this account must be used by the end of the plan year, plus two and a half months. Once enrolled, send your claims to OLB for reimbursement.

**MEDICAL FSA**

The Medical Flexible Spending Account (FSA) allows full-time and part-time eligible employees to set aside up to $2,750.

**EXAMPLES OF QUALIFIED EXPENSES**
- Copays and deductibles
- Orthodontics
- Glasses/Contacts
- Prescriptions

**EXAMPLES OF NON-COVERED EXPENSES**
- Cosmetic surgery
- Insurance premiums
- Vitamins
- Non-prescription drugs

**DEPENDENT FSA**

The Dependent Care Flexible Spending Account (FSA) allows eligible full-time and part-time employees to set aside up to $5,000 for expenses for dependents under age 13.

**EXAMPLES OF QUALIFIED EXPENSES**
- Licensed nursery
- Day care facilities
- After school care
- Childcare inside/outside of your home

**EXAMPLES OF NON-COVERED EXPENSES**
- Child support payments
- School tuition
- Food or clothing
- Overnight camp expenses

By enrolling in life insurance, you are providing for those who depend on your income after death. If you are buying life insurance for your family, or are offered a free plan (under qualifying titles), or invest in retirement, you need to name a beneficiary - someone who will receive any policy proceeds that are paid out at your death. It’s worth reviewing a bit of information to decide who should receive the proceeds of the plan. But whatever you do, name someone.

**WHO?**

Spouses, civil partners, children, parents, or siblings, but, it can really be anyone you want to designate including naming a charity as your beneficiary.

**PRIMARY BENEFICIARY**

An individual, like a spouse, who is first in line to receive benefits on the policy upon the death of the holder. Multiple can be named, but the percentage should be outlined of the payout.

**SECONDARY BENEFICIARY**

In some cases you may outlive your beneficiary. You can choose a secondary beneficiary on your life insurance policy to ensure that your funds are properly distributed.

**MULTIPLE BENEFICIARIES**

You can list a group of people as your beneficiary such as “grandchildren of the insured” which allows for additional children are born. This can cause confusion later such as the inclusion of adopted children or stepchildren.

**CHANGING BENEFICIARIES**

Life happens. You get married, divorced, or lose a loved one. If you need to update your beneficiary, fill out a new form. Always make sure your life insurance beneficiary is up-to-date.

If you **DON’T** name a beneficiary, the policy proceeds will be part of your estate after your death. That means that the money won’t get to your family as quick as it could - if you have large debts, it might be used up to pay them.
Eligible employees include those who average 30 hours or more for full-time and 20 hours or more per week for part-time.

Senior Retail employees, Retail Management positions, and CDL Drivers are eligible for the 403(b) Retirement Plan, with company match, and 401(a) Defined Contribution Plan that is, solely, an employer contributed plan. All contributions on either plan are vested after 3 years of continuous service. As with life insurance, employees are encouraged to designate a beneficiary on retirement plans.

**403(B) + MATCH**
- Employees over 21 are eligible to save for retirement.
- When you invest up to 6 percent of your wages, MERS Goodwill matches an additional 3 percent or 50% of contributions under 6 percent.
- You get to choose your investments with your investment strategy.
- Invest up to $19,000 each year.

**401(A)**
- Senior Retail, Supervisors, and CDL Drivers are eligible for this plan if they work more than 1,000 hours in the eligible year.
- This plan is an annual discretionary employer contribution that is determined at year-end. This contribution has averaged 2.67% during the last five years. Employees must be active on December 31st to receive the contribution.

**LIFE INSURANCE**
MERS Goodwill wants to ensure that your family members who count on your income are covered in the event of your death. Senior Retail employees, Retail Management positions, and CDL Drivers are eligible for employer-paid life insurance at two times your annual salary. As with voluntary life insurance, employees are encouraged to designate a beneficiary.

- **AD&D**
  Accidental death and dismemberment benefit amount is equal to the amount of your benefit.

- **Living Care**
  If you are terminally ill, you may be eligible for 80% of your insurance benefit.

- **Portability**
  If you change employers, you may be able to take this insurance with you. You would be responsible for the premiums.
TIME OFF

Sick Leave, Jury Duty, and Funeral Leave are the same regardless of position, but Retail Management positions and CDL Drivers can look forward to additional Vacation Time. Senior Retail employees fall into the previous plan on page 7.

Vacation is earned for each hour worked up to 80 working hours per pay period. 0.0385 vacation hours are earned for each worked hour equalling up to 3.08 vacation hours earned each pay period during the first five years of service. The vacation time off benefit increases at 5 and 10 years of service.

CARRYOVER TWO YEARS WORTH OF ACCRUED VACATION

AFTER ONE YEAR, RECEIVE VACATION PAID OUT ON TERMINATION

USE HOW YOU CHOOSE

PARTICIPATE IN VACATION BUY BACK

Just like Retail Associates, vacation buy back is your opportunity to turn your accrued vacation into cash. If you don’t use your vacation time and are reaching the cap or just want the extra cash, you can sell back half of your vacation time, twice per year. This form can be found in your documents in Paycom or call Payroll for assistance.
